

JEREMY GALL MINISTRIES

The conviction that "Jesus Christ is the same today as He has ever been" is the driving force of Jeremy and Joscelyne Gall's life and ministry. It is their life purpose to bring not just a message about Jesus, but to bring His life-giving power to the world, providing proof that He is alive! Though they have advanced through several phases of ministry and training, their passion has remained unchanged; Jesus Christ who saves, heals and sets people free is alive today!

After graduating from Rhema Bible Training Center, Jeremy served as an instructor at Kenneth Hagin's Healing School and traveled across the country ministering in crusades and seminars through David Horton's School for Evangelists, Priority One.

In April of 2003, the Galls sensed God leading them to step out into full time evangelism and launch Jeremy Gall Ministries. Jeremy & Joscelyne have ministered together in signs & wonders evangelism since then. Beginning in 2009, Jeremy has been teaching the evangelism course in Rick Renner's seminary in Moscow. The Galls also continue to conduct extensive campaigns throughout the vast country of Russia. Miracle Campaigns & Evangelism Training have taken them to 23 states in North America, as well as Central America, Europe, & Asia.

They are currently based in Ashtabula, OH with their two children: Eden & Coen. Together they are having the adventure of a lifetime taking the message and power of Jesus to the world.

GOOD NEWS CHURCH

Pastors Matt and Suzie Judd began Good News Church in 1995 with a vision to connect a community of believers to God and each other, empower them with the Word of God and the Holy Spirit to be able ministers, so they would reach their worlds and beyond with the good news of Jesus Christ.

Over the past few years of doing mission trips to our hometown and conducting IMPACT meetings, the life-givers of Good News Church have led over 5000 people to Christ through street evangelism, organized outreach events, crusades and personal encounters in their every day lives. It is our mission to empower people to give life!

▶ Believers already active in ministry & feel the urgency to acquire tools for reaching the lost with God's miracle power.
